Hello,

My name is Valerie Fatur. I am the new Director of Religious Education at Our Lady of Mt. Carmel Church in Denver. As part of my position, I would like to make sure we are meeting the needs of all the families of our Parish. Below, you will find some of the things I would like to do, and if they are something your family could use.

- **Summer Bible Camp**- This would be a structured 4 weekday class with structured materials from the Catholic Faith, it could be mid to late June to let the kids have a break from their daily school year.
- **9am Mass class for 4–6-year-olds**- This would be a class where the children would learn the Gospel for that Sunday then return to parents for the Lord's Prayer and Blessing. Parents would be able to focus on Mass and the kids would learn and enjoy their time as well.
- **11am Mass for Teens**- This would be a Mass that incorporated music and homilies that relate to our teens in these days.
- **12pm Youth group**- This would be a gathering for the teens after Mass giving them time to discuss the Mass and meet other Catholics their age.
- **Family Group Classes with guest speakers**- This would be on occasion, covering topics families would like to hear the Church's standing on. We are blessed with a multitude of amazing teachers in our Archdiocese. I am a graduate of the Catholic Biblical School and currently a student at the Catechetical School. I can tell you firsthand what great speakers they are.

I am excited to see our parish grow through our children to pass on to their children! Our parish is 127 years old, and we want another 127 years! I have included a questionnaire for your response. It will be posted on the app and the website for ease, or simply drop off or mail back to the church to my attention. **To download the app, simply text APP to 88202** and select our Parish after opening. Our website is: www.ourladymountcarmel.com

Thank you for taking the time to respond to the questionnaire!

God's Blessings,

Valerie Fatur
